

Product Manager

Morningstar Corp. is looking for an experienced Product Manager of a technical product. The Product Manager will be tasked with managing the lifecycle of a line of products within Morningstar's solar charge controller or inverter portfolio. This position will be responsible for the product's success from concept, to specification, to market release and for the remainder of the product's active life. This position requires close collaboration with Sales, Marketing and Engineering. This position is based in Newtown, PA with about 25% travel to our Engineering center, trade events and customer visits both in the U.S. and abroad.

Responsibilities:

- Define the vision and strategy of the product line
- Create and maintain the product roadmap
- Define product market requirements and target cost
- Manage pre-release beta testing and customer validation
- Write technical documents and strategy sheets to help market and sell the product
- Determine test standards and certifications required by the market now and in the future
- Conduct web-based and in person trainings and product presentations to customers

Required Skills:

- BS, Electrical Engineering or Computer Science
- 3-5 years Product Management experience
- Excellent Technical Writing Skills
- Strong Presentation and Communication Skills
- Passion for product excellence

Additional Skills Preferred:

- MBA
- CCNA or similar network experience
- Experience with market research, focus groups and interview-based customer research
- Experience with Agile Development Process
- Experience in power electronics, communications systems or automation

This position is in our Corporate Headquarters in Bucks County, PA. Morningstar Corp. offers a full benefits package including medical, dental, vision and LTD insurance as well as vacation, personal & sick time. Our medical plan includes a Health Savings Account, partially funded by Morningstar. We have a 401(k) retirement plan with Company Match as well as our Incentive Stock Option Plan and Employee Stock Purchase Plan. Salary is commensurate with experience.
